Re: Non-Binding Notice of Lakeview Water Corporation's Intent to File Application for Approval of General Rate Increase

Dear Public Service Commission,

This non-binding notice ("**Non-Binding Notification**") serves to inform the Utah Public Service Commission ("**Commission**") of Lakeview Water Corporation's ("**Lakeview**") intent to file an Application for Approval of General Rate Increase ("**General Rate Case Application**") with the Commission. As required by Utah law and the Commission's regulations, a copy of this Non-Binding Notification will be served upon all existing customers, including all parties that participated in Lakeview's last prior general rate case.¹

Pursuant to Utah Code Ann. § 54-3-3, the General Rate Case Application will be filed with the Commission no sooner than 30 days after filing this Non-Binding Notification and the creation of a formal docket number in the matter.

Sincerely,
SMITH HARTVIGSEN, PLLC
