SETTLEMENT STIPULATION Application of Lakeview Water Corporation for Interim Rate Increase and General Rate Increase

This is a request for the Division of Public Utilities (DPU) to provide analysis, evaluation results, and the basis for conclusions and recommendations regarding the following:

- Review for Compliance and Make Recommendations
- Review Application and Make Recommendations
- Review the Complaint and Indicate whether the DPU has a Recommendation
- Review Notice and Make Recommendations
- Review Request for Agency Action and Make Recommendations
- Respond in Accordance with the Notice of Filing and Request for Comments
- Investigate

Other - Explanation and Statement of Issues to be Addressed (See Below):
On August 14, 2023, DPU filed with the PSC a Settlement Stipulation ("Stipulation") along with 2 attachments, a redline and a clean version of the proposed tariff ("Proposed Tariff") as part of the Stipulation. However, the "rate structure" in the Stipulation (at page 4, paragraph 13, Table 2) appears to be different than the "Monthly Billing Rate" (at page 12, paragraph 2) in the Proposed Tariff. Because of the hearing scheduled for August 24, 2023, please clarify this inconsistency as soon as possible.

*In the event the PSC issues an order or notice providing dates for comments and/or testimony in this docket:

- The DPU shall respond consistent with the order or notice;
- The order or notice, including any deadlines, shall supersede and replace this action request; and
- This action request shall be deemed withdrawn.
