Relevant information for Docket #23-001-01: Concerns Regarding Bridgerland Water System

To whom it may concern,

Enclosed with this statement is a docket that contains Steven Watterson's journal entries, which he has been keeping a detailed log spanning over 30 years, which highlights his extensive knowledge and involvement in maintaining the water system.

The attached document serves as a testament to Steven Watterson's dedication and expertise in effectively managing and preserving the Bridgerland Water System. Throughout the years, he has diligently logged over 185 hours to ensure the system's smooth operation and adherence to the highest standards of maintenance.

It is important to note that Steven Watterson holds the highest contractor license, License #6459771-5501, as a general contractor. His professional experience and comprehensive understanding of various systems make him uniquely qualified to assess the issues that Bridgerland Water Company and he have been going through.

Given his wealth of knowledge and commitment, it is disheartening for Steven to witness the current situation at hand. He is deeply frustrated by the apparent negligence in maintaining the water system.

Thank you for your time. We will see everyone at the meeting tomorrow 05/12/2023 at 10:30 to continue to discuss this case.

Sincerely,

Shelby Watterson
(Granddaughter)
