

Steven Watterson Journal Entries that are applicable to his knowledge

2014 – Started helping flush hydrant water co.

2019 – frozen main. Came back on May 6 – froze 02/17

Aug 30, 2022 – I seen Rob Wilson working on cleaning value boxes before winter. I asked him if he wanted me to run water through the winter. He told me no because he has Steven Randell running his so I didn't dare take a chance on getting a big water bill next spring

01/02/2014 – 1 ½ hours flushing

01/02/2014 – 1 hours flushing

01/21/2014 - 1 ½ hour flushing
