A request for Review or Rehearing for Docket No. 23-001-03 is still forthcoming.

This current complaint was never considered in our initial complaint and is now submitted as a new and different complaint. We would prefer that this complaint be considered aside from our initial complaint and not part of Docket No. 23-001-03.

Please feel free to contact us if you have any questions.

Sincerely
Martell and Ronda Menlove
