Highlands Water Company, Inc.'s Request to Update its Service Area	<u>DOCKET NO. 23-010-01</u> <u>NOTICE OF FILING AND COMMENT PERIOD</u>
--	---

ISSUED: January 5, 2024

On September 20, 2023, Highlands Water Company, Inc. ("Highlands") filed a Request to Update its Service Area ("Original Request"). On December 28, 2023, Highlands submitted an email and an attached cover letter, with the latter being what appears to be an update of the Request (the "New Request"). The email explains that, in essence, the Original Request was filed in haste, was still in draft form when filed, had the potential for confusion, and asks that the PSC "consider this [New Request] which more clearly represents [Highlands'] purpose." The attachment to the email – the New Request – is substantially similar to the Original Request, but makes certain additions and various changes, all of which are, as represented in the email, highlighted in yellow in the New Request. Any interested person may submit comments on Highlands' updated cover letter on or before **Monday, February 5, 2024**, and may submit reply comments on or before **Tuesday, February 20, 2024**.
