**Docket No. 23-010-01**

---

On October 10, 2024, the PSC entered an Order requiring Intervenor Mountain Green Mutual Water Company (“MGMWC”) to meet and confer with Applicant Highlands Water Company (“HWC”) about HWC’s Amended Petition to Update Service Area “to discuss its substance and impact on the status of this docket” and provide the PSC a report by October 22, 2024.

MGMWC and HWC met and conferred and MGMWC filed a report regarding the call on October 22. HWC disagreed with claims and assertions made by MGMWC in the report and filed a response thereto on October 30. On November 7, MGMWC filed a Motion to Strike HWC’s filing in response to the meet and confer report. On November 22, HWC filed a

memorandum opposing MGMWC's Motion to Strike. Finally, on November 27, MGMWC filed a reply in support of its Motion to Strike.

HWC represents that this matter has been fully briefed and has been awaiting a decision from the PSC since November 27. HWC submits the matter for decision by the PSC at its earliest possible convenience.

DATED this 21<sup>st</sup> day of February 2025.
