Re: Docket No. 25-2179-01, In the Matter of Pine Valley Irrigation Company's Application for a General Rate Increase, Interim Rate Increase, and Approve New Tariff Sheets – Corrected Hearing Exhibit 2.0, Attachment A and Confidential Attachment B.

Dear Mr. Widerburg,

On October 7, 2026, the Division of Public Utilities (Division) filed its original Redacted Hearing Exhibit 2, Attachment A. Unfortunately, that filing contained incorrect tier volumes. We are filing a corrected version today that reflects the accurate tier volumes, along with detailed "Correction Notes" appended at the bottom of the sheet.

In addition, we are filing Corrected Confidential Attachment B in its entirety. These corrections separate the Division's Direct Testimony adjustments from the Company's Hearing adjustments across the following tabs:

- **Tab 2.1** – Rates
- **Tab 2.2** – Adj. Expenses
- **Tab 2.3** – Rev & Exp
- **Tab 2.9** – Taxes
- **Tab 2.10** – Debt Service
- **Tab 2.11** – Customer Impact

"Correction Notes" have been added to the bottom of each affected sheet for clarity.

The corrected versions were provided to Mr. Lee Snow with Pine Valley Water Company. Mr. Snow indicated that he and the Pine Valley Board have reviewed the corrections and verified their accuracy.
