To whom it may concern,

We would like to restart a rate increase for our water system (Legacy Sweetwater Inc.) at Legacy Mountain. Our last request was docket number 25-2280-01 issued on January 14, 2025. Before that our last request was issued on September 26, 2006 - Docket NO. 06-2280-T01.

Our costs have increased significantly, and our system is in need of repairs.

Will you please issue us an updated docket number for 2025 and we will get the necessary documentation over to the Division of Public Utilities.

Please let me know if there is anything else you need from us at this time.

Kind Regards,

**Dave Anderson**
