In the Matter of the Tariff Filing Seeking a)
Rate Increase for Wilkinson Cottonwood) DOCKET NO. 05-019-T01
Mutual Water Company) NOTICE OF DOCKET CLOSURE

ISSUED: June 19, 2006

By The Commission:

On December 22, 2005, Wilkinson Cottonwood Mutual Water Company (“Wilkinson” or “Company”) filed an Amended Request for Rate Change including a Proposed Tariff No. 2 containing requested rate increases. Following extended discussions, the Division of Public Utilities (“Division”) and the Company determined structuring the Company to reflect a commonality of interest would be in the best interests of the Company and its customers. As a result, on June 14, 2006, the Division filed a memorandum stating Wilkinson has filed an application for exemption from Commission regulation (“Application”). The Division is reviewing the Application and believes said review will lead to a Division recommendation for exemption. The Division recommends closing the above-entitled docket pending action on the Application.

Therefore, based on the foregoing, the Commission determines to close Docket No. 05-019-T01 with no further action and will await the Division’s recommendation on the Application.

DATED at Salt Lake City, Utah this 19th day of June, 2006.
