ISSUED: August 19, 2010

By The Commission:

This matter is before the Commission on the Company's request for extension of time. On February 22, 2010 the Commission declined to render an order on the Company's Motion to Dismiss pending an investigation into the allegations of the formal complaint. The Division submitted its findings after a months-long review and audit of the Company on or about June 22, 2010. Since that time, the Company and the Division held a conference on August 2, 2010. The Company claims it will respond to concerns raised by the Division in its June 2010 memorandum and will "correct clerical or administrative errors identified in that" recommendation. *Company Request for Extension of Time, August 18, 2010*. The Company requests 30 additional days to prepare a response and that the Commission hold a hearing only after that time.

Finding good cause for the extension, the Commission finds the extension should be granted. Additionally, the Commission enters an interim scheduling order as follows:

ORDER

1. The Company's request for extension of time is granted. The Company shall have until Monday, September 20, 2010 to respond to the Division's

The Division shall address whether its concerns raised by the audit and investigation have been addressed, and make a further recommendation to the Commission;
3. The petitioners, Nicole McMillian, *et al*, shall have until Wednesday, October 20, 2010, to address the Company’s response, and until Monday, November 1, 2010 to address the Divisions’ amended recommendation.

DATED at Salt Lake City, Utah, this 19<sup>th</sup> day of August, 2010.
